

INTERACTIVE MULTIMEDIA DESIGN

Advanced Interacton is a new and exciting Interactive Multimedia Design agency based in Belfast, Northern Ireland. Since 2005, Avanced Interaction or AI for short, has established it-self as one of Northern Ireland's leading design agencies.

Due to recent growth and significant investment in our design team, AI would like tender our services to new clients across the UK and Ireland.

Services offered include some of the following:

- > Web site design and build
- > Graphic design
- > Company branding
- > Search Engine Optimisation
- > Content management
- > Intra-Net and Xtra-Net

...the above list is non exhaustive!

For furter details and samples of our work, visit www.aim.com.
